

## Cancer Support France Drop-in at Café Lumière

31 Rue du Maréchal Joffre 13100 Aix-en-Provence

**Saturday 23rd November 2024 from 9h30-12h**

We would love to meet you if you would like to know about the support that we are able to offer to English speaking people living in France who are touched by cancer, including their families and caregivers.

Or if you have a little spare time each month and would like to **VOLUNTEER**, we need Active Listeners, Translators, help with Fundraising and Publicity, and we always welcome non-active members.

Please come along for a chat.
